Wayne Stenehjem
ATTORNEY GENERAL

MEMO TO: ALL LAW ENFORCEMENT AGENCIES AND PROSECUTORS
FROM: CHARLES E. EDER, STATE TOXICOLOGIST *CEA*
DATE: JANUARY 30, 2018
REGARDING: DISCONTINUED USE AND RETURN OF S-D5 DEVICES

The Intoxilyzer® S-D5 preliminary breath alcohol testing instrument will no longer be a certified device after June 30, 2018 for the purpose of highway safety testing.

Intoxilyzer® S-D5 initial training and recertification is no longer offered as of January 2, 2018.

Please return any Intoxilyzer® S-D5 preliminary breath alcohol testing instruments purchased by Toxicology and assigned to your agency for use. Do not return any devices that have been purchased by your agency.

The Alco-Sensor FST® from Intoximeters Inc. will continue to be a certified preliminary breath alcohol testing instrument used for the purpose of highway safety testing.

The Alco-Sensor FST® instrument is available for purchase by utilizing a state contract through the ND State Procurement Office. The state contract is Contract Number 188 - Breath Screening Device.

Please contact the Crime Laboratory Breath Alcohol Section if you have any questions.
