POWERHOUSE GAMING INC.)	ORDER OF
LICENSE NO. GM-042)	IMMEDIATE
LOCATED AT LOOMIS, CALIFORNIA)	SUSPENSION

.....

WHEREAS, the Office of Attorney General received credible information on May 6, 2020, and thereafter, indicating that unlicensed software is or has been installed on the Powerhouse Gaming Inc. (Powerhouse) electronic pull tab system being operated in North Dakota.

WHEREAS, North Dakota Administrative Code (N.D.A.C.) § 99-01.3-16-09.6(34)(b) provides that “any application software to be used by the manufacturer must be owned wholly or properly licensed from an application software provider and evidence of the license must be provided to the Attorney General.”

WHEREAS, the Office of Attorney General provided Powerhouse the opportunity to provide evidence that Powerhouse has proper licensing of the software installed on the Powerhouse electronic pull tab system being operated in North Dakota.

WHEREAS, to date, Powerhouse has not provided evidence that Powerhouse has proper licensing of all of the software installed on the Powerhouse electronic pull tab system being operated in North Dakota.

WHEREAS, the Attorney General has determined there is sufficient evidence that Powerhouse has violated N.D.A.C. § 99-01.3-16-09.6(34)(b).

WHEREAS, pursuant to North Dakota Century Code (N.D.C.C.) § 53-06.1-15.1(9), the Attorney General, based on reasonable ground or written complaint, may suspend a manufacturer's license for violation of N.D.C.C. ch. 53-06.1 or any gaming rule.

THEREFORE, the Attorney General hereby finds:

That the licensee violated and continues to be in violation of the provisions of N.D.C.C. ch. 53-06.1 and N.D.A.C. art. 99-01.3 as more specifically set forth above and in the Notice of Violation.

Based upon these findings, the Attorney General makes the following conclusions of law:

That the licensee violated and continues to be in violation of the provisions of N.D.C.C. ch. 53-06.1 and N.D.A.C. art. 99-01.3 as more specifically set forth above and in the Notice of Violation.

That because of this violation, the Attorney General is authorized to issue an Order providing for, and including, the suspension or revocation of a license.

IT IS HEREBY ORDERED that the gaming manufacturer license for Powerhouse Gaming Inc. is hereby suspended as of today's date for the violation and all Powerhouse electronic pull tab devices operating in North Dakota are to be disabled immediately and remain shut down, the suspension being imposed pursuant to the provisions of N.D.C.C. § 53-06.1-15.1(9).

IT IS FURTHER ORDERED that the gaming manufacturer license for Powerhouse Gaming Inc. will remain suspended until such time as Powerhouse provides satisfactory proof that its electronic pull tab dispensing device system is in compliance with North Dakota law, including:

1. N.D.C.C. ch. 53-06.1 and N.D.A.C. Art. 99-01.3.

2. All individual electronic pull tabs dispensing devices in the State of North Dakota must have the 25 character Window license product code input on each device; and
3. The Windows Key Management Service (KMS) tool must be removed from all individual electronic pull tab dispensing devices in the State of North Dakota.
