

## Instructions for Completing Online Chemical Test Operator Recertification Training

Before beginning the training, make sure you have:

- Six Digit Chemical Test Operator Number
- Certification Expiration Date
- POST Board (Peace Officer) Number

Please do not call the Crime Lab for this information. If you do not have this information, contact your training officer.

1. **BEGIN ONLINE TRAINING:** To begin training navigate to the North Dakota Attorney General Webpage, <https://attorneygeneral.nd.gov/>. Click on Criminal Justice Resources, then Breath Alcohol Training, then Recertification Training. Select GO TO TRAINING.
2. **LOGIN:** The Online Training Management System will appear and require you to either use or create a login to access the site. **Warning: You must NOT use another individual's login and password to enter this site. Doing so will affect the user certification information and may invalidate certification for both users.**

An email containing the activation link will be sent to the email address you provided. Activate your new login account by clicking on the link in the email. We suggest you use your first initial and last name as a login ID and an easily-remembered password in case you have to leave the site and resume later. Once your login account has been activated, you can proceed with online testing.

If you are unsure if your account is NDGOV, or you experience technical difficulties when creating a user account, contact the State Information Technology Service Desk at 1-877-328-4470. If you experience technical difficulties while in the training session, contact the Attorney General's Help Desk at 701-328-5556 Monday-Friday, 8:00 AM – 5:00 PM Central Time or by email ([ndaghd@nd.gov](mailto:ndaghd@nd.gov)). Do not call the Crime Lab for this information.

3. **ENTER ACCESS/AUTHENTICATION CODES:** The next screen will appear only if you are new to the online training, and will request your Chemical Test Operator (CTO) information. You will need to enter your Chemical Test Operator Number (e.g. 107501) for both Access Code and Authentication code. If your CTO Number contains a leading zero, the zero must be entered.

Press Enter or click Validate to continue.

Please enter the Access Code and Authentication Code that you received

4. **VERIFY INFORMATION:** Update your personal information here. Enter your four-digit POST Board number if you have one. If you do not have a POST Board number, enter 0000. Make sure you have keyed in everything correctly; this information will go on the List of Certified Chemical Test Operators. The POST Board will automatically receive notification when you have successfully completed training, and you will receive credit for training hours as long as you enter the number when requested during the online registration process. If you do not know this information, contact the North Dakota Post Board at 701-328-5529.

Note: Field Inspector Recertification Training will not receive POST Board credit due to the limited length of training. However, Field Inspectors still need to recertify for the Crime Lab's training requirements.

Proceed by clicking "I verify the information is correct".

Please verify the information we have on file for you.
